November 8, 2011

Parents and Students of CJHS Students:

In an effort to accommodate those who may have missed out on having their school photos taken this year or would like to have retakes done, please be advised that we are hosting another studio retake day this Saturday, November 12th. For those who would like to take advantage of this opportunity, they may contact myself, Angie, at the studio [\(403\) 381-8955](tel:4033818955) and I would be happy to schedule a sitting for them. Appointments are available between 9am and 12pm and the studio is located at 225 Stafford Drive South in Lethbridge.

Thanks so much & have a great day!

Angie
