Cardston Junior High School Back to School Night

Our annual “Back to School Night” will be held in the Cardston Junior High School Library on Thursday, September 17 at 7:00 pm. All parents are invited to attend this evening to learn what is happening at CJHS this year.

The main purpose of our Back to School Night is to elect a new School Council (Parent Advisory Council). If you are interested in serving on the School Council, please call the school office (403-653-4958) or just come to the meeting. There will be an opportunity for nominations (and/or volunteers) for School Council Elections. Our Back to School Night will last about one hour and refreshments will be served.

School Fees are now DUE!

With the beginning of the school year, school fees need to be paid (or arrangements made for payment—please see the principal). School fees make it possible for us to offer programs and services for our students, including: the repair/replacement of textbooks, participation in elective classes (ie. Home Ec, Wood Shop, Band, Digital Media, Drama, and Outdoor Education). Fees also ensure that each student receives a yearbook, computer flash drive, student agenda/planner, student insurance (for school sponsored activities), and various student union activities (special events, dances and assemblies).

Picture Retakes are scheduled for Oct 13

Please take time to review all school rules and procedures with your student - listed in the front of the student agenda/planner.

We have some wonderful new improvements to our school including some new “computers” and a tour of the school will be available for anyone interested (following the business of our meeting).

Please come and show your support for our school and learn more about your child’s teachers and opportunities for learning!

Back to School Night

September 17 @ 7:00 pm

CJHS Library

Without the payment of fees it would not be possible to offer the range of services and programs currently available for students at Cardston Junior High School.

Those parents who pay their fees by Sept 30 will be entered in a draw for a refund of one student’s general fees (not including fees for options) and that student will receive a Candy Bouquet.

Fees must be paid **before** students may participate in extra-curricular activities.

Calendar Reminders
