

Attention Parents!

This is a reminder from the Parent Council: The Christmas Activity and Dance is on Thursday, Dec. 22! For your information, students have been invited to donate an unwrapped stuffed animal to be taken to children in the Congo. As well, there will be Santa photos available for \$2 as an activity fundraiser. Parent Council would like to put a Parents' Pride together to compete with our kids during the activity time. We need 15-20 parents for a couple hours just after 12:00. Please contact Lisa Comin if you're interested at 653-3201 or lcomin@me.com. You can also find us on facebook. Just join the Cardston Junior High School Parents and Friends group to communicate with other parents and keep up on Parent Council activities.
